TikTok: Where to get the stream key

Format: 9:16 Vertical 9:16

KEY PAGE · TIKTOK LIVE CENTER → PRODUCER

https://livecenter.tiktok.com/producer

STEP BY STEP

1. Open TikTok LIVE Center on your computer and sign in.
2. Fill in the live title and category.
3. Click “Save & Go LIVE”.
4. In Stream settings, copy the “Server URL” and the “Stream key” and paste them here.

IN CASTDECK

RTMP destinations → New destination → choose the platform, check the format and paste the URL and the key.

IMPORTANT

- TikTok only provides the key to eligible accounts (usually from 1,000 followers).
- TikTok’s key changes every live: update the destination before each broadcast.
- The stream key is like a password: anyone with it can stream to your channel.
- Platform screens change often; menu names may vary slightly.
