X: Where to get the stream key

Format: 16:9 Horizontal 16:9

KEY PAGE · X MEDIA STUDIO → PRODUCER

https://studio.x.com/producer

STEP BY STEP

1. Open X Media Studio (Producer) on your computer.
2. Under Sources, click “Create source”, choose RTMP and the closest region.
3. Under Broadcasts, create a broadcast using that source.
4. Copy the source’s RTMP URL and key and paste them here.

IN CASTDECK

RTMP destinations → New destination → choose the platform, check the format and paste the URL and the key.

IMPORTANT

- Streaming via RTMP on X usually requires a Premium subscription.
- The stream key is like a password: anyone with it can stream to your channel.
- Platform screens change often; menu names may vary slightly.
